The Central Park Five. directed by Ken Burns, Sarah Burns, and David McMahon,
produced by Ken Burns, et al., Public Broadcasting Service, 2012.
In 1989, five Black and Latino teenagers from Harlem were arrested and later wrongfully convicted of raping the "Central Park jogger" in New York. The Central Park Five tells the story of that horrific crime, the rush to judgment by the police, a media clamoring for sensational stories, an outraged public, and the lives upended by this miscarriage of justice.
