Hi everyone,

We will be hosting a virtual screening of “Picture a Scientist” on Friday, August 7th at 3 pm. Zoom discussion after the 3 pm screening. <https://www.pictureascientist.com/>

I’m getting ready to send Roco Films our community and group email addresses and wanted to check in with you.

I will be using the community list, but wanted to confirm with you regarding all of your (APO) email lists. Can you send me your lists to confirm we will reach everyone? Also, I know you have Approver filters on your email list. Please approve as soon as you can, so everyone has an opportunity to RSVP.

The RSVP email will come from Roco Films; everyone in your email list will receive the email, once you approve; they will RSVP with their name and email address; each person will receive a password to login to view the screening on Friday, August 7th.

I have requested the documentary to be available for 48 hours, so anyone overseas will have a chance to view the film.

Please let me know if you have any questions.

Thank you,
Christina
