All AAPT members are invited to participate.

About AAPT Virtual Coffee Breaks: Every Tuesday, AAPT members bring questions about physics education (taken broadly) to discuss and share their experiences in a confidential setting. All AAPT events, including the virtual coffee break, adhere to the AAPT code of conduct that strives to foster a positive experience built upon open communication, professionalism, and respect.

Note: *In order to make these sessions available to as many members as possible, we will be alternating our start times every other week between a 4:00 PM and a 7:00 PM start time.*
