NOW ACCEPTING APPLICATIONS

Caltech is now accepting applications for our WAVE Fellows undergraduate research program.

Please share with students. Thank you!

The WAVE Fellows program provides support for undergraduate students, who are underrepresented in STEM and intent on pursuing a Ph.D., to conduct a 10-week summer research project under the mentorship of Caltech faculty.

Research opportunities in biology, neuroscience, chemistry, chemical engineering, engineering and applied science, geology, environmental science, sustainability, astronomy, physics, nanotechnology, quantum sciences, humanities, social science, and more!

Research-specific [information sessions](#) scheduled throughout November.

Applications due Jan 9.

ELIGIBILITY

Applicants must be current sophomores, juniors, or non-graduating seniors.

Applicants must be current sophomores, juniors, or non-graduating seniors,
have a cumulative GPA of at least 3.2;
be a US citizen, permanent resident, or have DACA status.
Strong applicants are encouraged to have prior research experience.

PROGRAM HIGHLIGHTS

- Graduate school prep workshops
