To: Peter Fisher fisherp@mit.edu

Hi Peter ,

I hope this message finds you well! Thank you again for continuing to support Insight's Fellows programs. We appreciate you spreading the word to your graduating students in advance of our application deadlines.

We're now accepting applications for Insight's Winter 2021 sessions. **Would you be willing to forward the following announcement to your graduating students?**

Best,
Kyree

=====

INSIGHT FELLOWS PROGRAM - WINTER 2021

We're now accepting applications from graduating students (must complete all coursework by January 19th in order to participate full time) for our winter sessions.

Apply to our fully-remote winter session by November 2: <https://apply.insightdatascience.com>

INSIGHT FELLOWS

What is Insight?

The Insight Fellows Program is a seven-week professional training fellowship for graduating students and working professionals looking to transition to thriving careers as data scientists, engineers, and other cutting-edge professionals. Insight takes a [unique approach](#), working closely with partner companies to match Fellows with the hiring teams that represent the best fit for their skills and experience.

Scholarships Available

Our goal is to make sure that everyone with the right skills can participate in Insight regardless of financial challenges. We offer several scholarships (including need-based and scholarships for underrepresented groups in tech) to help reduce the barriers keeping you from participating in Insight's programs and taking those first steps to launch your thriving career. [Learn more](#) about available scholarships.

Gain a Network

Since 2012, Insight has helped **3,500+ Fellows** transition to thriving careers in a variety of data and tech fields. By joining the Fellowship, you're also joining an extensive community of industry leaders, and gaining connections to thousands of data and tech professionals from hundreds of companies. This is an investment in your future that pays dividends for years to come.

Getting Hired

88% of Insight Fellows accept a job offer in their chosen field within 6 months of finishing the Fellows Program, and the **median time to hire is 8 weeks**.

Starting Salary

The average starting **base salary** for Insight Fellows across all our locations is **\$126,000**. Average bonus is \$12,000, and almost all Fellows receive either equity or stock grants. The average stock grant for publicly-traded companies is \$26,000 per year.

Hiring Companies

Insight alumni are now working at Facebook, LinkedIn, The New York Times, Apple, Airbnb, Netflix, Memorial Sloan Kettering Cancer Center, CVS Health, 23andMe, Bloomberg, NBC, Bosch, American Express, Microsoft, and **700+ other top companies**.

Post-Program Experience

Beyond the seven week program, Insight Fellows get access to a structured, highly-personalized post-program experience. This personalized post-program experience that we introduced as of Summer 2020, helps Insight Fellows get jobs 40% faster and earn \$10,000-15,000/year more than the results quoted above.

Available Programs:

- Artificial Intelligence
- Data Engineering
- DevOps Engineering
- Decentralized Consensus
- Data Science*
- Health Data Science*

*Please note that our programs are open to all degree levels, except our Data Science and Health programs, which have a PhD requirement.
