

Spring 2021: Campus Access Update

29 Jan 2021

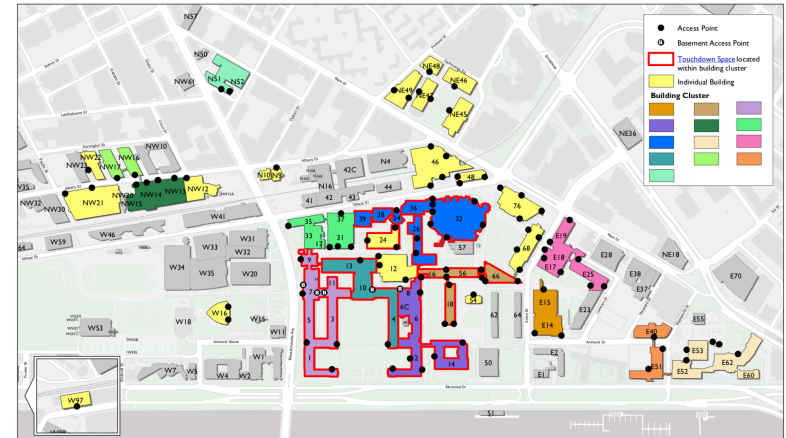

Krystyn Van Vliet (krystyn@mit.edu, if questions on content)
with key input from MIT colleagues in Offices of the Provost and Chancellor (OVC, DSL, DAPER, ELO);
Department of Facilities, IS&T, Project Manus, MIT Medical, DLC Faculty, Staff, and Students

Campus preparations underway

- **Student access to in-person curricular learning activities requires connection to Registrar's subject listings.**
 - Connects to UG and G students' Covid Pass
 - Relates to subset of buildings used for in-person learning (classes)
 - Prompts preparation of assigned rooms for ventilation review by MIT Facilities Teams, enhanced cleaning by MIT Custodial Teams
 - Extends to room uses DLCs may not think of in prior years (DLC-managed classrooms, shops, teaching labs)
 - Manages building density for concurrent Research & Education
 - Needs to consider all campus access needs for students & instructors now
- Covid Pass indicates our buildings of access via access points
- For Students registered for in-person class components, this means campus buildings in which classes are scheduled.

Thank you to all DLCs & Instructional Teams for thoughtful and timely requests by 15 Jan!

As syllabi are finalized, reminder of final deadline for emergent campus access for class-related activities: 19 Feb 2021.

IAP wanes as Spring waxes!

- Spring UROPs
- Instructional Teams including TAs prepare
- Touchdown Spaces for all Students registered for in-person classes and Campus Residents
- Outdoor weather improves (thanks, Covid-19 Hackathoners)
- Minds turn to all the great ways to access campus facilities and indoor weather

MIT UROP Student and UG TA Access

between Feb 8 (Spring UROP start) and March 1, 2021 (in-person instruction start)

For *current* IAP UROPs including off-campus seniors,

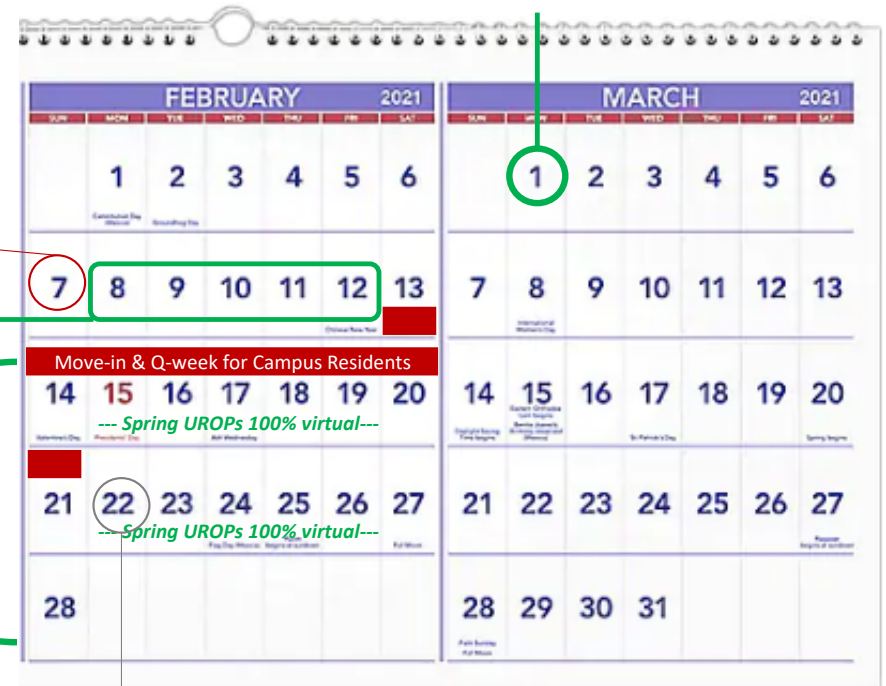

- Courtesy invite to start Spring UROP with in-person access for week of Feb 8-12 (Reg Week)
- Confirm all Spring UROPs are 100% virtual from Feb 13-Feb 28 (Q-Week + first week of Spring 2021 remote classes)

End of In-person IAP UROP

Start of all Spring UROPs, and also in-person Spring UROPs just for those with existing IAP UROPs

Spring UROPs fully remote from Feb 13-28

In-person Spring classes and in-person Spring UROPs start

In-person meeting and training with UG TAs for department in-person class components

MIT Student Access: approved channels to campus via Covid Pass in Spring 2021
