FYI: DAPER Fit Packs
Sets of resistance bands assembled to use during Q-Week. Kits were made available, and a return receptacle was added to the Z-Center lobby.

*Includes early arrivals and SHARP students*
Move-in ResEd Ops Meeting

Strengths
- **Efficient move-in process**, with clear instructions and signage.
  - “It took us about 10 minutes to move in.” - Ian Waitz
- **High marks on dining** directly from students:
  - “Confession #46916 Ok Idk how the Bon Appetit food has been so far but the good people over at Restaurant Associates have popped ALL THE WAY OFF wow”
  - “Confession #46907 WHY DOES BAKER DINING ACTUALLY SLAP* THIS SEMESTER” (*“Slap” - taste great, be amazing, awesome)
- **Movers helped** with flow of move-in

Challenges
- **First-years were permitted one helper** for move-in, but several FY and other UG students’ family members entered buildings
- **Spontaneous gatherings** of happy students raised concerns about lack of compliance--masked but not physically distancing (or quarantining)
- **Concerns over use of athletic fields** by groups of students
- **Better coordinate delivery of class materials**, maker kits (movers delivered to rooms)
