Dear Dr. Fisher,

I hope this email finds you well. My name is Jess Hopkins, and I am a student in the Master of Counseling program at Arizona State University.

I am currently conducting my thesis that aims to observe where Women of Color (WoC) find support within and outside of their STEM doctoral programs. Attached you will find my study flyer that contains inclusion criteria and compensation information. Interested students can access the survey here: https://asu.co1.qualtrics.com/jfe/form/SV_9BjzDSjfMnqpmu2

I kindly ask that you forward this email and flyer to current students in your program who might be eligible for participation.

Thank you, in advance, for your help!

Sincerely,

Jess Hopkins
