Agilent Early Career Professor Award

INTERNAL DEADLINE:

Internal Competition proposals due: January 25, 2022, 11:59pm

SPONSOR:

Agilent: <https://www.agilent.com/>

Opportunity: https://www.agilent.com/univ_relation/profaward/index.shtml

AMOUNT OF THE AWARD:

An unrestricted research award of \$120,000 to be distributed in 2 years to university in the professor's name.

- Option to use all or part of award to obtain Agilent products at 50% discount
- Option to accelerate payments to facilitate procurement of equipment with list price over \$120,000

FUNDING OPPORTUNITY DESCRIPTION:

The purpose of the Agilent Early Career Professor Award is to:

- Promote and encourage excellent research enabling measurements of importance to Agilent Technologies and the world
- Establish strong collaborative relationships between Agilent researchers and leading professors early in their career
- Build the prominence of Agilent as a sponsor of university research

REQUESTS FOR NOMINATIONS:

Please nominate yourself or a candidate that meets the following criteria:

Alignment with the 2022 Focus: Contributions to the development of Artificial Intelligence and Machine Vision technologies for intuitive Collaborative Robots (Cobots) to address demands for a flexible next-generation workforce in manufacturing applications.

- Significant original research contributions enabling measurements of importance to Agilent Technologies and the world
- Outstanding potential for future research

AREAS OF RESEARCH SUPPORTED:

Artificial Intelligence, Digital Imaging, Digital Health, Machine Learning

Artificial Intelligence, Biological Sciences, Biotechnology, Medical Imaging, Diagnostic Monitoring Systems.

NUMBER OF PROPOSALS:

MIT may submit 2 nominations.

DUE DATES:

Internal proposals: January 25, 2022, 11:59PM
Proposals due to Sponsor: February 25, 2022

WHO MAY SUBMIT:

MIT Faculty with PI Status. Self-Nominations are allowed.

ELIGIBILITY:

Professors who completed their Ph.D. (residency in case of M.D.'s or M.D. Ph.D's) no earlier than January 2012.

NOMINATIONS MATERIALS:

Please submit the following submission materials at <https://mitfunding.infoready4.com> by January 25, 2022, 11:59 pm

- Name, home department and Laboratory or Center, contact information
- Summary of areas of expertise, contribution to measurement technology and future research directions (1,000 words)
- Biosketch/CV

ADDITIONAL INFORMATION:

We anticipate that this award will be processed as a gift. Proposals are NOT required to route through RAS. The coordination of the award will occur through the Office of the Recording Secretary (RSO).

Agilent does not allow any overheads charged to their gift funds. The recipient of this award will need to identify resources to cover 10% fund fee.
