

Dear Chairs,

We are searching for a Lecturer to run and teach our Introductory Lab sequence.

The Faculty Senate at Trinity has strived to make Trinity a pleasant working environment for our non-tenure track faculty. This is a full time with benefits, 9 months position. After a probationary period, Trinity will commit to three year contracts with the possibility for promotion to Senior Lecturer. There are also modest faculty development funds available if the candidate would like to maintain their scholarship, but no research expectations are assumed.

Full job description can be found here:

Please circulate and let me know if you have any questions.

Regards,
Jennifer
